PURCHASE OF CLOTH DIRECT FROM MILLS.

No. T. 1153. Information has reached the undersigned that some dealers in Mysore State who are not the State nominees are contacting Mills outside Mysore State particularly in Bombay, Ahmedabad and Sholapur with a view to purchase cloth direct from the mills out of stocks allowed for free sale. This procedure is detrimental to the working of the existing cloth distribution scheme in Mysore State as with the flooding of cloth purchased under free sale direct from the Mills, the regular quota of cloth will not freely move from procurers to wholesalers and from them to retailers. Besides purchase of cloth under free sale allowed to mills by the Textile Commissioner, Bombay, by all and sundry will render it difficult to collect the ½ per cent centage which has to be recovered to Government on all cloth imported into the State either under allotment or under *Ad-hoc* quota or under free sale.

In order to obviate the above difficulties it is notified for the information of cloth dealers in particular that only the State nominees have been appointed as approved buyers of cloth from any mills outside Mysore State under *Ad-hoc* quota or under free, sale and the Textile Commissioner, Bombay, has been informed accordingly.

Persons other than the recognised State Nominees are hereby directed not to purchase cloth from Mills outside Mysore State without prior approval from this office. In spite of this warning, if any person indulges in such purchases, he does it at his own risk. Such an act will be construed as in infringement of provisions of clause 8 of Cotton Textile Control Order.

As regards those persons who are not State Nominees and who have either already purchased or have committed to purchase cloth from Mills before the date of this Notification, they should immediately declare the stocks to this office for purposes of recovering ½ per cent centage on all such goods and to enable issue of instructions as regards their disposal. The declaration should furnish the following information :—

1 Applicant i.e. Name of the party receiving the goods in Mysore with address ... .
2 The Mills from whom the goods have been purchased and the date of purchase ... .
3 The date when the goods have arrived in Mysore State ... .
4 Quantity and variety in each case ... .
5 Total Ex-Mill value of consignment ... .
6 Release Order No..... Date ..... of the Textile Commissioner's Office ... .
